### Program Overview:

Events Planning & Management is the process by which an event is planned, prepared, and produced. It encompasses the assessment, definition, acquisition, allocation, direction, control, and analysis of time, finances, people, products, services, and other resources to achieve the objectives of that particular event. Events Planning & Management requires the overseeing and arrangement of every aspect of an event, including researching, planning, organizing, implementing, controlling, and evaluating an event's design, activities, and production.

O.G.I Publicity Ltd brings a whole new experience, creativity and innovation into Events Planning & Management. With unique products of our own coupled with providing planning & management services to the usual functions and social gatherings,

O.G.I Publicity Ltd is the company you need for your special event.
