06 Apr -10 Apr 2025	Bahrain	2900	Register Now

Being good at your job is not enough these days. Employers are demanding teamwork and good communication skills. This course is designed to improve the behaviour of those people who work and communicate with others inside and outside their organization on a daily basis.

OBJECTIVES:

By the end of this Workshop, delegates will be able to:

1. Analyze the basic principles underlying perception and human behavior.
2. Understand how the communication process works
3. Recognise the barriers to and the failures of effective communication
4. Use appropriate techniques for communicating effectively
5. Communicate effectively, both face to face and on the telephone
6. Compare one-way versus two-way communication and analyze the verbal and non-verbal components of the communication process.
7. Deal with difficult people and situations
8. Feedback effectively and constructively
9. Use communication as a motivation tool
10. Be a good listener
11. Effectively negotiate with customers leading to successful business conclusions.
12. Role-play different personality types and identifies effective ways to deal with them.
